

Parental Agreement for Child's Participation in CVL Basketball Season and Commitment to Fees

We, the undersigned parents/guardians, hereby confirm our full consent and financial commitment to our child's participation in the Community Basketball League (CVL) for the upcoming season under the club's guidance. We understand the importance of our child's involvement in sports for their personal growth, physical well-being, and the development of teamwork and discipline.

By signing this agreement, we affirm the following commitments:

1. **Child's Participation:** We agree that our child will actively participate in all practices, games, and related activities scheduled by the club for the CVL season. We will ensure our child's attendance at all events, except in cases of illness or other unforeseen circumstances.
2. **The annual membership fee of £32:** We acknowledge our responsibility to pay the annual membership fee which goes towards central running costs, including administrative processing of your account and setup, equipment, insurance, and health & safety measures for the sessions attended.
3. **Half-Termly Payment Plan:** We acknowledge our responsibility to pay the fees associated with our child's participation in the CVL season. Payments will be made half-termly, in accordance with the school term structure. We agree to make these payments as per the payment plan provided at the time of sign-up, which covers coaching, facility use, and other associated costs.
4. **Match Fees:** We understand that match fees will contribute towards expenses related to game logistics, venue rentals, officials, and other associated costs. These fees are to be paid as per the instructions provided by the club.
5. **Payment Schedule:** Fees are due at the start of each school half-term and are non-refundable once the term has begun. Payment can be made in full for the term or by half-term installments, as outlined by the club during registration.
6. **Notice of Withdrawal:** Should our child wish to withdraw from the CVL team, we commit to providing half a term's notice in writing. We understand that failure to provide such notice may result in being liable for the following half-term's fees, as the club incurs ongoing costs to maintain the program.
7. **Optional Kit Purchase:** The purchase of the official CVL team kit is optional. However, we understand that the club recommends buying the kit for our child to promote team identity and unity during matches. The kit includes a jersey and shorts, and the cost will be provided separately.
8. **Communication and Cooperation:** We agree to maintain open communication with the coaching staff and club representatives. We recognize that timely and effective communication is essential for the smooth running of the team and the overall success of the season.
9. **Code of Conduct and Team Values:** We commit to ensuring our child adheres to the club's code of conduct and team values, supporting a positive and respectful environment. We agree to encourage good sportsmanship, cooperation, and respect for coaches, teammates, and opponents.

By signing below, we acknowledge our understanding, consent, and commitment to the terms outlined above. We look forward to supporting our child's growth and participation in the CVL basketball season.
